Diversed treatment methods, simple and fast surgery, and prompt effects

Women get more beautiful through meticulous skin care. Moreover, we help you find your hidden value through safe gynecologic surgery with gynecology.

Dermotoxin injection

Compared to Botox, this helps you look better through more natural wrinkle treatment.

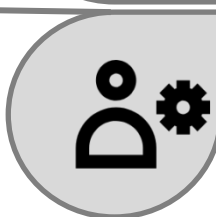

Hair loss treatment

We check to see the cause (e.g. mental stress, unbalanced nutrition, genetics, etc.) of your hair loss and offer a customized treatment or hair transplant surgery.

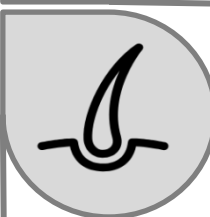

Customized surgery

We provide customized cosmetic surgery, using cutting-edge equipment.

Anti-aging treatments

We use a method of stimulating under-skin collagen, using Starlux IR Laser, to remove wrinkles and improve skin elasticity. The method causes little pain and takes only a short time.
